Chairman of ZTVAPE -CHENJING

Vapexpo Shanghai 2017 is a very professional and the most attractive exhibition for leading manufacturers and suppliers to introduce and promote their expert products and all purchaser and visitors can connect directly with suppliers and manufactures displaying innovate equipment and products. Everything from the beginning to the end of the exhibition is perfect, definitely, we will also attend Vapeexpo shanghai next year, which is one of the best show in this industry.

General Manager of ECT -YOUWEN

We would express our great thanks to the Organizer for constructing such a good industrial communication platform and giving us great supporting service during the show. The attendees are very large-scale. These are prospects we never met before. Vapexpo Shanghai 2017 is a incredibly successful show. Let's meet at Vapeexpo Shanghai 2018.

Regional Director Of Aspire

It is the most formal vape show in ShangHai with a great success, attracting attendees out of my imagine. A large of visitors can learn about vape products by various channels. There must be more and more people join us next year.
